### Centrotherm: Innoflue Price Update

Dear Partners:

Effective May 1st, 2021, **Centrotherm** will be implementing a list price increase of approximately 7%. This price change is primarily driven from transportation and raw material cost increases.

Any existing open quotations will be honored for 30 days past their issuance.

Centrotherm remains committed to delivering best-in class UL-1738/ULC-S636 venting systems and exceptional service levels to our valued partners and customers.

We appreciate your continued support as we implement these changes. If you have any questions, please call, or email us at [info@centrotherm.us.com](mailto:info@centrotherm.us.com).
