To Our Valued Customers:

The global pandemic is affecting us all and disruptions to business -as- usual continue. Due to the effects Aladdin Equipment Company has had to make an uncompromising decision to increase prices 10% effective May 1st, 2021.

Full freight orders are being increased from \$3,000.00 to \$5,000.00. **All** shipments that require a pallet will include a pallet charge of \$5.00 in addition to the freight charge including full freight orders.

Unfortunately, there is no way to predict the impact of the challenging conditions to obtain raw materials which results in product delays.

Please be assured the Aladdin Team is doing everything to secure material needed to meet the demands of our products.

Thank you for your continued support.
