Prices are increasing by 12% (divide list price sheet by .88) with some select SKUs reflecting higher or lower increases. Please review the new list price sheets for specific price changes. Current multipliers will remain in effect.

The following list price sheets will be affected:

PVC-DWV Fittings, PDWV-0121
PVC Schedule 40 Fittings, PVC-0920*
Chemtrol[®] PVC Schedule 80 Fittings & Valves, CH-COM-0121

The new list price sheets, ADWV-0321, PDWV-0321, PVC-0321 and CH-COM-0321 will be available on Friday, March 5, 2021, via the NIBCO websites at www.nibco.com and www.nibcopartner.com. You will have options to download and/or print copies of the price sheets in MS Excel and PDF formats.

We will accept pre-increase orders of no more than 1/24th (2 weeks) of your annual PVC and ABS plastic fittings purchases from NIBCO. Pre-increase orders must be placed with our office by close of business on Tuesday, March 16, 2021. All such orders will be for immediate release and shipment. No further price protection will be offered.

Additionally, during the month of March we will only allow customers to purchase their average monthly demand. We will continue to monitor the resin situation and will communicate changes when necessary.

If you have questions, please contact your NIBCO sales or customer service representative. Thank you for your continued support of NIBCO products.

Sincerely,

NIBCO INC.
