

April 1, 2021

Dear Paramount Customers,

We thank you for your continuing support and we appreciate your business and loyalty.

A 4% average price increase on Paramount products will begin on May 1, 2021. This will not affect existing orders and orders placed before May 1st.

To ensure delivery to all customers, we are requesting that orders continue to be placed on an as-needed basis. Please note that unusually large orders will require excessive lead times to fill and will likely lead to partial shipments over an extended period.

Thank you again for your continued support of Paramount. Below is a link to download the Paramount pricing spreadsheet.

If you have any questions please feel free to call us.
