**Re: Price Increase Notification**

**Dear Valued Customer;**

**Due to the rising material costs over the last several months, as well as continued freight increases, we will be forced to pass along a mid-season price increase. Effective May 17<sup>th</sup>, 2021, there will be a 4% increase. We will honor all current prices for orders placed before this date. If you have any questions, please contact your Sales Representative, Regional Manager or myself.**
